PRESS RELEASE

Yamhill County has selected projects for its 2009 Maintenance Improvement Program (2009 MIP). The selected projects are reviewed by the county's Road Improvement Advisory Committee (RIAC), recommended to the Board of County Commissioners who adopt the final list. The criteria used in this process is based upon Yamhill County Public Works Department Road Maintenance/Reconstruction Prioritization Policy. This policy can be found at: http://www.co.yamhill.or.us/pubworks/documents/Road_Maintenance_and_Reconstruction_Prioritization_Policy_W_Road_Matrix.pdf.

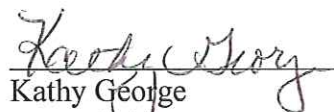

The final list includes several overlay projects which were competitively bid with the bid opening on June 16th, 2009. The low bidder was Baker Rock Resources, McMinnville Division. A formal contract for the work is currently being negotiated. As soon as the contract is executed a notice to proceed will be issued and work can begin.

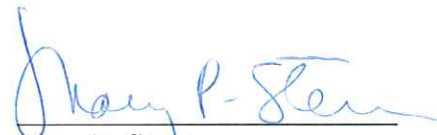

Overlay Projects included in the 2009 MIP are:

- Columbia Street (Chehalem Drive to Main/Crater)
- Zimri Drive (end of curbs to Bell Rd)
- Youngberg Hill Road (Peavine to Masonville)
- Adcock Road (Pike Rd to end of maintenance)
