Hi Mary and Laura,

I am requesting Board Consideration to add .5 full time equivalent Program Manager III position management authority for fiscal year 2015-2016. If approved, this will add temporary capacity to manage a variety of projects in our Health and Human Services central administration in support of services across our public health and behavioral health divisions.

As a reminder and for context, this is the position I have mentioned in previous conversations that will be focused on some of the new work we are doing in partnership with Yamhill Community Care Organization. We have dedicated outside state and federal grant funds for this expense and sufficient expense authority in our fiscal year 2015-2016 Adopted budget.

Please let me know if you have any questions.

Lucy, please put this on the Agenda for next week's Board session.

Thanks,

Silas Halloran-Steiner
