Subject: New Stop Sign Request

Good day Carolina,

It has been a while since I have asked for Board approval for a new stop sign. Are you still the person that can get it on the agenda for me? It will be on Morgan Lane at it's intersection with Booth Bend Rd. Recent years have seen some development down Morgan Lane and we have had requests lately for some traffic control there, and I agree it is time it should happen.

Thanks for your help.

Bill

Accepted by Yamhill County
Board of Commissioners on
12/7/23 by Board Order
