## YAMHILL COUNTY BOARD OF COMMISSIONERS COVERSHEET

**DATE:** September 5, 2024  
**TO:** Board of Commissioners  
**FROM:** Mark Lago, Public Works Director  
**RE:** Recommendation appointments and re-appointments for the  
Roadside Vegetation Technical Advisory Sub-Committee under Road  
Improvement Advisory Committee (RIAC)

### **BACKGROUND:**

I would like to recommend that Patrica Farrell and Jordan Anderson be appointed to the Roadside Vegetation Technical Advisory Sub-Committee under RIAC. Ms. Farrell is well regarded by many in the conservation and native plant community, has served on the SWCD board and the Greater Yamhill Watershed Council Board in the past is a representative of Greater Yamhill Watershed Council. Mr. Anderson is employed by The Yamhill County Soil and Water Conservation District. Their insights and perspectives will be beneficial to the committee.

I would also like to recommend the re-appointment to the Roadside Vegetation Technical Advisory Sub-Committee under RIAC these committee members: Michal Wart, chair; Susan Aldrich-Markham, retired OSU Extension Agent; Vern Holm, retired Coordinator, Western Invasive Network; and Sam Sweeny, local farmer to a two-year term.

### **STAFF RECOMMENDATION:**

I recommend that Patrica Farrell and Jordan Anderson be appointed to the Roadside Vegetation Technical Advisory Sub-Committee under RIAC for a two-year term. Also re-appoint Michal Wert, Susan Aldrich-Markham, Vern Holm, and Sam Sweeny to the Roadside Vegetation Technical Advisory Sub-Committee under RIAC for a two-year term.

### **FISCAL IMPACT:**

None

Accepted by Yamhill County  
Board of Commissioners on  
09/05/2024 by Board Order
