Good Morning,

On behalf of the Jackson County Board of Commissioners, please find attached to this email a letter to the Governor and the Legislature requesting the repeal of SB 762 (2021) and SB 80 (2023) - the wildfire hazard map legislation. We have found, in review of the map, numerous errors and impacts to landowners that warrant the repeal of this legislation.

The Jackson County Board of Commissioners would like to invite each of your Boards to join in this letter before it is sent. If your Boards are agreeable to joining the letter, please include either your Commissioners' signatures or your County's logo, to express your County's support. Please respond by email to this request on or before October 31, 2024.

Thank you,

Megan Cook
