Organizational affiliation if applicable		
SWAC applicants list the ORS 459.320 Group Designation:		

Information to assist the Board of Commissioners in considering your application (the back of this page may be used if more space is needed and a resume may be attached).

I have lived in Newberg for four years. I originally was born in the Netherlands and moved to California 20 years ago after graduating from Delft University with a degree in Electrical Engineering. I have worked for many companies in the field of Electronics and started my own company four years ago.

I have been married for 29 years and my wife and I raised three kids of which the youngest one attends Newberg High School.

I love the Yamhill County community, the friendly people and the beautiful environment.

I have been somewhat politically active but have no significant experience in politics. On the other hand, I do have experience running a business and making budgets. I am willing to give back to my community and hope this position will be an opportunity to do so, while utilizing some of my business skills.

Please consider my application for this important position.
