Subject: Board Consideration: Permission to Apply for Behavioral Health Resource Network

Hi Mary and Ken,

I would like to request permission to apply for funding from the Oregon Health Authority in the amount of \$4,969,298.93. The funding is part of OHA's implementation of Measure 110, including updated related legislation, to support Behavioral Health Resource Networks. Funds are for a four-year period and would be effective between 07/01/2025 to 06/30/2029. We have been funded with a previous award and are required to submit a proposal for continued funding as are all currently funded agencies.

The funds are intended to ensure an increase in access to substance use treatment and support services. [A link to the full RFP can be found here.](#)

We intend to utilize the funding to support:

- Walk-in access for comprehensive behavioral health needs assessments
- Expansion of transitional treatment and recovery homes for people without children
- Ensure access to Narcan/naloxone for our clients and at-risk community members
- Costs of medication-assisted treatment for the indigent population
- Professional design layout and initial operating costs for a potential medically managed withdrawal (detox) and residential treatment program

If our application is successful, I will return to the Board to request approval for the amount awarded. Please let me know if you have any questions.

Carolina/Bailey, please place this item on the next Board Agenda for approval. Suggested Board Agenda language:

"Authorize Lindsey Manfrin or designee on behalf of Yamhill County to submit a proposal for grant funding to support increased access to substance use treatment and support services through the Behavioral Health Resource Network in the amount of \$4,969,298.93. "

Thank you,
