Dear YCTAC members,

As mentioned in previous YCTAC meeting, I served on the Oregon Department of Transportation (ODOT) Public Transportation Division's Rules Advisory Committee (RAC) for the consolidation of two funding programs – the Special Transportation Fund (STF) and the Statewide Transportation Improvement Fund (STIF).

Our last meeting was **Monday, October 18 from 1 to 4 p.m.** The public was welcome to attend, and public comments were taken at the beginning and end of the meeting - from 12:30 to 1 and from 4 to 4:30 p.m.

All the information regarding the process and associated meeting materials are available using this link: <https://www.oregon.gov/odot/RPTD/Pages/STF-STIF-RAC.aspx>

Because we didn't have a YCTAC meeting this summer, I didn't share this information with you while we were going through the process. You will find an online comment form at the above link. Comments are welcome outside of the public comment period and at any point throughout the next few months. I will provide more information at our meeting next Thursday, October 28, 2021.

Please let me know if you have any questions about the RAC process.

Regards,

Cynthia Thompson
