Measure No: 36-174

Caption: Measure Proposing Sale of Bonds For Swimming Pool Facility Reconstruction

Question: Shall the City of Carlton issue general obligation bonds not exceeding \$975,000 for swimming pool facility reconstruction?

Summary: If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

If approved, this measure will fund the substantial reconstruction and replacement of the city swimming pool house and swimming pool equipment facilities. The bonds will pay for:

- Demolition of the existing pool house;
- Improvements to the swimming pool main drain;
- Construction of a new pool house structure;
- Installation of mechanical, plumbing and electrical improvements;
- Construction of a modern swimming pool filtration system;
- Replacement of pool heating system and pool equipment; and
- Design and engineering costs and bond issuance costs.

The bonds would mature in twenty one (21) years or less from date of issuance. The overall tax rate for bonds is estimated to be approximately \$.44 per \$1,000 of assessed property value, or \$66 annually per \$150,000.00 of assessed valuation. Tax rates are estimates only.
