

## CITY OF DAYTON

Measure No: 36-175

Caption: Three Year Local Option Tax For Police Services

Question: Shall Dayton levy \$1.85 per \$1,000 assessed property value each year for 3 years for police services beginning 2016-2017? This measure renews current local option taxes.

Summary: The proposed levy would fund the current Yamhill County deputy sheriff providing police service exclusively in the City and could include the following services: Municipal Court, Court/Records Clerk, Code Enforcement Officer, 9-1-1 services and support services.

The City contracts these services out through an intergovernmental agreement with Yamhill County and receives numerous public safety benefits for the cost of service.

The City's current law enforcement local option tax will expire June 30, 2016. The current tax funds a one full-time sheriff deputy and one half-time code enforcement officer. It also funds Municipal Court, 9-1-1 services and support services.

The estimated total amount of the levy is \$193,805 per year for three years. A home assessed at \$100,000.00 would pay \$185 annually.

The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of estimate.
