This summary is designed to assist you in understanding the assessment and taxation procedure in our county. We are offering as much information as possible to help acquaint you with these procedures. The records and services of our office are open to you, the public and you are encouraged to discuss your assessment or taxation problems with our staff members. Ad valorem taxation is based on assessed value of your real and personal property, unless otherwise provided by state laws, to provide the services of schools, city and county government, fire protection districts, park districts and community colleges. The Assessor does not tax, but values your property through methods prescribed by state laws and regulations, so that all property will be assessed equitable. He does not determine the taxing districts you may be in. He does not control the amount of money your taxing districts require. You should take an active interest in local budget meetings and elections. Remember, you are purchasing services with your tax dollars and you must pay for them. The annual assessment date is January 1 of each year. The fiscal year commences July 1 and ends June 30 of the following year. July 1 is the effective tax lien date.
 Derrick C. Wharff, Assessor/Tax Collector
