Dayton School District 8

Measure No: 36-201

Caption: Dayton School Bonds to Increase Safety; Update, Repair, Schools, Facilities

Question: Shall Dayton School District repair, update schools, classrooms; issue \$11,000,000 in general obligation bonds estimated to maintain current tax rate? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

Summary: If approved, bonds and grants are expected to:

- Remove, dispose of asbestos; repair, replace damaged flooring, ceilings, and roofs;
- Upgrade electrical, technology connectivity, plumbing, HVAC, and fire alarm systems;
- Replace inefficient windows, insulation, and lighting, retrofit for seismic;
- Upgrade security, including reconfiguring offices and entry ways, creating more secure school entries with fencing, gates, key card access, and cameras;
- Renovate, reconfigure, and construct additions to library and classrooms;
- Replace JH/HS old gym bleachers, JH/HS track surface, and add parking to JH/HS gymnasium;
- Renovate special education classrooms and restrooms providing ADA access; and
- Purchase furniture, fixtures, equipment; make site improvements for projects; pay issuance costs.

The District is expecting a \$4 million matching state grant if voters approve the bonds. Bonds include accountability mechanisms such as a citizen oversight committee and annual audits.

Overall bond tax is estimated to continue at the current rate of \$2.83 per \$1,000 of assessed property value. Actual levy rate may differ due to interest rate changes and/or assessed value. Bonds would mature in not to exceed 21 years from issuance.

Gaston Rural Fire District

Measure No: 34-289

Caption: Renewal of Five-Year Local Option Tax for General Operations

Question: Shall District impose \$0.67 per \$1,000 of assessed value for general operations for five years beginning 2020-2021? This measure renews current local option taxes.

Summary: The current permanent tax rate of \$1.0921 per \$1,000 of assessed value has not allowed the Gaston Rural Fire Protection District to meet operational expenses or to allocate reserve funds.

The voters approved a five-year local option tax in 2004 for \$0.42 per \$1,000 beginning in FY2005-2006 and five year renewals in 2008 and 2014 for \$0.67 per \$1,000 beginning in FY2010-2011.

This measure renews the current local option tax at its current rate of \$0.67 per \$1,000 to start July 1, 2020, after the current tax expires. The proposed local option tax will allow the District to maintain and improve its current level of service and cover operational increases and capital costs.

The proposed rate will raise approximately \$250,650 in FY2020/2021, \$255,663 in FY2021/2022, \$260,776 in FY2022/2023, \$265,991 in FY2023/2024, and \$271,311 in FY2024/2025, for a total of \$1,304,391.

Contest Total: 1

Election : 05/21/2019 - May 21, 2019 Special District Election

Tualatin Valley Fire and Rescue

Measure No: 34-286

Caption: Renews Local Option Levy for Fire and Emergency Medical Services

Question: Shall TVF&R renew an emergency services levy at \$0.45 per \$1,000 assessed value for five years, beginning FY 2020-2021? This measure renews current local option taxes.

Summary: Tualatin Valley Fire & Rescue (TVF&R) is seeking a levy renewal for 45 cents per \$1000 of assessed valuation, the same as TVF&R's existing rate. The current levy expires in June 2020. Levy renewals require voter approval. For a property assessed at \$300,000, about the average in TVF&R's service area, the cost of the levy would be approximately \$135 per year or about \$11.25 per month.

If the levy renewal does not pass, funding that currently supports at least 92 of 432 TVF&R firefighters and paramedics would be lost. TVF&R's firefighters and paramedics respond to emergency incidents like fires, heart attacks, car crashes, and rescue operations. Funding for other staff positions that support TVF&R's operations would also be lost.

If the levy passes, levy funds will maintain firefighter, paramedic, and support staff positions. Proceeds will also be used to purchase land for future fire stations, fire hose, firefighting tools, and medical equipment.

An estimate of the total amount of money to be raised for each year of the proposed levy renewal is:

FY 2020-2021: \$28,581,437

FY 2021-2022: \$29,864,743

FY 2022-2023: \$31,205,670

FY 2023-2024: \$32,606,805

FY 2024-2025: \$34,070,850

Contest Total: 1

Yamhill Fire Protection District

Measure No: 36-200

Caption: Five-Year Local Option Levy for Capital Projects

Question: Shall District levy \$0.55 per \$1,000 of assessed value for five years for capital projects beginning in 2019-2020? This measure may cause property taxes to increase more than 3 percent.

Summary: If approved, this measure would fund Yamhill Fire Protection District efforts to replace and upgrade District equipment.

Specifically, this measure would provide funds to:

- Replace a 1991 Fire Engine (28 years old)
- Replace Self-Contained Breathing Apparatus (SCBA)

The requested rate of \$0.55 per \$1,000 of assessed property value would generate approximately \$181,469 in 2019-2020, \$186,913 in 2020-2021, \$192,520 in 2021-2022, \$198,296 in 2022-2023, \$204,245 in 2023-2024, for a total of \$963,444.
