Yamhill

Measure No: 36-209

Caption: Recall of Lindsay Berschauer from the office of Yamhill County Commissioner

Question: Do you vote to recall Lindsay Berschauer from the office of Yamhill County Commissioner?

Reason for Demanding the Recall: The people of Yamhill County deserve Commissioners who represent them faithfully, ethically, and professionally. Commissioner Berschauer has neglected her duties, and abused her position to the benefit of special interests, her friends, family, and donors.

Rather than listening to her constituents' concerns, Commissioner Berschauer uses her official platform to attack and intimidate those who question her agenda. She published the personal information and addresses of private citizens and local small businesses on her social media simply for exercising their democratic rights. Commissioner Berschauer operates a political consulting business while acting as county commissioner, but has never disclosed her clients. She has exploited her platform to back extremist candidates, who are bankrupting the Newberg School District. Commissioner Berschauer sent millions of investment dollars out of Yamhill County, creating a hostile environment to local businesses. She thwarted economic development and delayed the disbursement of \$10 Million American Rescue Plan dollars earmarked to help Yamhill County workers, families and small businesses, instead declaring a State of Emergency that only placed Yamhill County families at even greater risk.

The people of Yamhill County have spoken. Commissioner Berschauer's extremism, fiscal mismanagement, and bad-faith representation are at odds with Yamhill County values. She must be recalled.

Election : 03/22/2022 - County Commissioner Recall

Yamhill

Measure No: 36-209

Justification of Course in Office: Friends,

A majority of voters elected me to serve as **our** County Commissioner because I promised to *protect property rights*, ***demand government accountability***, and *STAND UP for working-class families*.

Because I kept those promises, special interest groups brought Portland-style politics to our community, engaging in **efforts to overturn your votes!** Their recall has been nothing but a divisive, untrue character assassination.

Voters deserve the TRUTH: Visit www.lindsayforyamhillcounty.com

Community supporters agree, and urge you to **VOTE NO!**
