City of Dayton

Measure No: 36-212

Caption: SIX YEAR LOCAL OPTION TAX FOR POLICE SERVICES

Question: Shall Dayton levy \$1.85 per \$1,000 assessed property value each year for 6 years for police services beginning in fiscal year 2022-2023? This measure renews current local option taxes.

Summary: The proposed levy would fund the current Yamhill County deputy sheriff providing 40 hours a week of police services exclusively in the City and could include the following services: Municipal Court, Court/Records Clerk, Code Enforcement Officer, 9-1-1 services and support services.

The City contracts these services out through an intergovernmental agreement with Yamhill County and receives numerous public safety benefits for the cost of service.

The City's current law enforcement local option tax will expire June 30, 2022. The current tax funds a one full-time sheriff deputy and one half-time code enforcement officer. It also funds Municipal Court, 9-1-1 services and support services.

The estimated total amount of the levy is \$269,230 per year for six years. A home assessed at \$100,000.00 would pay \$185 annually.

The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of estimate.

Contest Total: 1

Amity School District 4J

Measure No: 36-210

Caption: Bonds to Build, Renovate and Improve Safety of Schools

Question: Shall Amity School District issue up to \$29,400,000 in principal amount of bonds to renovate schools; receive \$4,000,000 Grant? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

Summary: The District has been awarded a \$4,000,000 State grant that will be available only if bonds are approved.

If approved this measure would finance capital costs, including:

- Remodel of the existing high school facility on Oak Street;
- Providing for a middle school facility through renovation and expansion on the existing Oak Street campus;
- Safety and seismic improvements for all schools.

The District would establish a citizen oversight committee to ensure proceeds are used for purposes indicated.

Bonds may be issued in multiple series; each maturing within 25 years from issuance. The estimated annual tax rate would be \$3.16 per \$1,000 of assessed value. Actual levy rate may differ due to final interest rates and changes in assessed value.

Contest Total: 1

Sheridan Rural Fire Protection District

Measure No: 36-211

Caption: Five-year Local Option Levy for Emergency Service Operations.

Question: Shall district Levy taxes \$0.88 per \$1,000 of assessed value for the five years beginning 2022-23 for emergency services operations? This measure may cause property taxes to increase more than three percent.

Summary: This ballot measure asks voters located in the Sheridan Fire District to consider an operation levy \$0.88 per thousand dollars of assessed value. The fire district currently operates with a \$0.35 levy, expiring June 2022. To be effective, the levy increase must be approved by fifty percent of voter turnout. The board of directors approved this levy on the ballot to address three major district needs:

1. Staffing for a second 24-hour ALS ambulance, placed into service 24-hours a day, needed due to an increase of call volume and multiple calls occurring simultaneously.
2. Replacing Noncompliant and expired Personal Protective Equipment (PPE).
3. Meeting the minimum projected for the District's Operational Plan.

This levy would raise approximately \$399,860 in 2022-2023, \$411,856 in 2023-2024, \$424,212 in 2024-2025, \$436,938 in 2025-2026, \$459,204 in 2026-2027. The estimated tax costs for this measure are an ESTIMATE ONLY based on the best information available from the county assessor at the time of estimate.
