Question 20 words which plainly phrases the chief purpose of the measure.

Shall Charter prohibit McMinnville from imposing standards of care or taxes/ fees/ fines primarily or exclusively on Care Facilities?

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

If passed, Measure would amend the City Charter to prohibit McMinnville from:

Enacting or enforcing any ordinance or regulation imposing a tax, fee, fine or similar assessment primarily or exclusively on Care Facilities; and

Enacting or enforcing ordinances and regulations that impose standards of care on "Care Facilities" already subject to federal or state requirements.

The Measure applies to "Care Facilities" that provide services to the elderly or individuals with physical/ mental disabilities, such as long term and residential care facilities, assisted living facilities, and memory care communities. These facilities are currently regulated by state and federal laws.

The Measure would also repeal Ordinance 5059 and Resolution 2018-54, which apply to Care Facilities. They establish EMS/ Fire Department fees and City licensing requirements, fees, and fines for Care Facilities, including a \$500 license application fee, a \$200 per bed licensing fee, and a \$1,500 fine for calling an ambulance if the City determines the ambulance was medically unnecessary.

The Measure would not prohibit or directly impact City fees or regulations of general application.
