The Oregon Department of Transportation (ODOT) is required to fulfill a federal requirement for contracting under the Federal Funding Accountability and Transparency Act (FFATA) Subaward Reporting System (FSRS). FFATA reporting is a requirement for subawards (also known as subrecipients) of federal awards in excess of $25,000. Your organization will enter into an agreement with ODOT where the funding source is a federal grant with a subrecipient relationship. Your organization is required to submit the information below to the Oregon Department of Transportation within fourteen calendar days of execution of the Agreement and annually thereafter, if applicable. Background on FFATA requirements
The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The intent is of the Act is to empower every American with the ability to hold the government accountable for each spending decision. The end result is to reduce wasteful spending in the government. The FFATA legislation requires information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is www.USASpending.gov.

Definition of compensation
Your organization is considered a subrecipient of federal funds. Unless your organization is exempt, FFATA requires you to report total compensation for each of your five most highly compensated executives for the preceding completed year. Total compensation means the cash and non-cash dollar value earned by the executive during the subrecipient’s preceding fiscal year and includes the following: salary and bonus; awards of stock, stock options, and stock appropriation rights; earnings for services under non-equity incentive plans; change in pension value; above-market earnings on deferred compensation which is not tax-qualified; and other compensation as defined in 2 CFR Part 170, Section 170.330(b)(5)(vi).

1. The Parties agree that the delivery date for authorizing the right of way purchase is September 30, 2015. State may withdraw all TAP funds that are not obligated on or before December 31, 2015, which is ninety (90) days after the Completion Date for Project Milestones number 2 shown in Revised Exhibit B-1. In that event, State may reassign any TAP funds not yet obligated for the Project and will have no obligation to fund any remaining phases of work through the Transportation Alternatives Program.

2. Agency guarantees the availability of Agency funding in an amount required to fully fund Agency’s share of the Project.

3. State may make available the State’s On-Call Preliminary Engineering (PE), Design and Construction Engineering Services consultant for Local Agency Projects upon written request. If Agency chooses to use said services, Agency agrees to manage the work performed by the Consultant and reimburse State for payment of any Consultant costs that are not eligible federally participating costs or that are not included as part of the total cost of the Project.

4. Information required by 2 Code of Federal Regulation (CFR) 200.331(a)(1) shall be contained in the USDOT FHWA Federal Aid Project Agreement for this Project, a copy of which shall be provided by ODOT to Agency with the Notice to Proceed.

If the approved rate(s) change(s) during the term of this Agreement, Agency shall invoice ODOT using the current indirect cost rate(s) for the project on file with ODOT at the time the work is performed. If Agency does not have approved indirect cost rate(s) on file with ODOT at the time the work is performed, Agency shall invoice ODOT using a zero percent (0%) rate.

6. Agency shall, at its own expense, maintain and operate the Project upon completion and throughout the useful life of the Project at a minimum level that is consistent with normal depreciation and/or service demand. State may conduct periodic inspections during the life of the Project to verify that Project is being properly maintained and continues to serve the purpose for which federal funds were provided.

7. Maintenance responsibilities will survive any termination of this Agreement.
REVISED ATTACHMENT NO. 2a
FEDERAL STANDARD PROVISIONS

PROJECT ADMINISTRATION

1. State (ODOT) is acting to fulfill its responsibility to the Federal Highway Administration (FHWA) by the administration of this Project, and Agency (i.e. county, city, unit of local government, or other state agency) hereby agrees that State shall have full authority to carry out this administration. If requested by Agency or if deemed necessary by State in order to meet its obligations to FHWA, State will act for Agency in other matters pertaining to the Project. Prior to taking such action, State will confer with Agency concerning actions necessary to meet federal obligations. Agency shall, if necessary, appoint and direct the activities of a Citizen's Advisory Committee and/or Technical Advisory Committee, conduct a hearing and recommend the preferred alternative. State and Agency shall each assign a person in responsible charge “liaison” to coordinate activities and assure that the interests of both Parties are considered during all phases of the Project.

2. Any project that uses federal funds in project development is subject to plans, specifications and estimates (PS&E) review and approval by FHWA or State acting on behalf of FHWA prior to advertisement for bid proposals, regardless of the source of funding for construction.

3. Non-certified agencies must contract with State or a State certified local public agency to secure services to perform plans, specifications and estimates (PS&E), construction contract advertisement, bid, award, contractor payments and contract administration. Non-certified agencies may use a State-approved consultant to perform preliminary engineering, and construction engineering services.

PROJECT FUNDING REQUEST

4. State shall submit a separate written Project funding request to FHWA requesting approval of federal-aid participation for each project phase including a) Program Development (Planning), b) Preliminary Engineering (National Environmental Policy Act - NEPA, Permitting and Project Design), c) Right of Way Acquisition, d) Utilities, and e) Construction (Construction Advertising, Bid and Award). Any work performed prior to FHWA’s approval of each funding request will be considered nonparticipating and paid for at Agency expense. Agency shall not proceed on any activity in which federal-aid participation is desired until such written approval for each corresponding phase is obtained by State. State shall notify Agency in writing when authorization to proceed has been received from FHWA. All work and records of such work shall be in conformance with FHWA rules and regulations.

FINANCE

5. Federal funds shall be applied toward Project costs at the current federal-aid matching ratio, unless otherwise agreed and allowable by law. Agency shall be
Yamhill County/ODOT
Agreement No. 29585, Amendment No. 1

responsible for the entire match amount for the federal funds and any portion of the Project, which is not covered by federal funding, unless otherwise agreed to and specified in the intergovernmental Agreement (Project Agreement). Agency must obtain written approval from State to use in-kind contributions rather than cash to satisfy all or part of the matching funds requirement. If federal funds are used, State will specify the Catalog of Federal Domestic Assistance (CFDA) number in the Project Agreement. State will also determine and clearly state in the Project Agreement if recipient is a subrecipient or vendor, using criteria in 2 CFR 200.3303.

6. If the estimated cost exceeds the total matched federal funds available, Agency shall deposit its share of the required matching funds, plus 100 percent of all costs in excess of the total matched federal funds. Agency shall pay one hundred (100) percent of the cost of any item in which FHWA will not participate. If Agency has not repaid any non-participating cost, future allocations of federal funds or allocations of State Highway Trust Funds to Agency may be withheld to pay the non-participating costs. If State approves processes, procedures, or contract administration outside the Local Agency Guidelines Manual that result in items being declared non-participating by FHWA, such items deemed non-participating will be negotiated between Agency and State.

7. Agency agrees that costs incurred by State and Agency for services performed in connection with any phase of the Project shall be charged to the Project, unless otherwise mutually agreed upon by the Parties.

8. Agency’s estimated share and advance deposit.

a) Agency shall, prior to commencement of the preliminary engineering and/or right of way acquisition phases, deposit with State its estimated share of each phase. Exception may be made in the case of projects where Agency has written approval from State to use in-kind contributions rather than cash to satisfy all or part of the matching funds requirement.

b) Agency’s construction phase deposit shall be one hundred ten (110) percent of Agency’s share of the engineer’s estimate and shall be received prior to award of the construction contract. Any additional balance of the deposit, based on the actual bid must be received within forty-five (45) days of receipt of written notification by State of the final amount due, unless the contract is cancelled. Any balance of a cash deposit in excess of amount needed, based on the actual bid, will be refunded within forty-five (45) days of receipt by State of the Project sponsor’s written request.

c) Pursuant to Oregon Revised Statutes (ORS) 366.425, the advance deposit may be in the form of 1) money deposited in the State Treasury (an option where a deposit is made in the Local Government Investment Pool), and an Irrevocable Limited Power of Attorney is sent
Yamhill County/ODOT
Agreement No. 29585, Amendment No. 1

to State’s Active Transportation Section, Funding and Program Services Unit, or 2) an Irrevocable Letter of Credit issued by a local bank in the name of State, or 3) cash.

9. If Agency makes a written request for the cancellation of a federal-aid project; Agency shall bear one hundred (100) percent of all costs incurred as of the date of cancellation. If State was the sole cause of the cancellation, State shall bear one hundred (100) percent of all costs incurred. If it is determined that the cancellation was caused by third parties or circumstances beyond the control of State or Agency, Agency shall bear all costs, whether incurred by State or Agency, either directly or through contract services, and State shall bear any State administrative costs incurred. After settlement of payments, State shall deliver surveys, maps, field notes, and all other data to Agency.

Records must be available for review or audit by appropriate officials based on the records retention period identified in the Project Agreement. The cost of this audit can be partially prorated to the federal program.

11. Agency shall make additional deposits, as needed, upon request from State. Requests for additional deposits shall be accompanied by an itemized statement of expenditures and an estimated cost to complete the Project.

12. Agency shall present invoices for one hundred (100) percent of actual costs incurred by Agency on behalf of the Project directly to State’s Liaison for review, approval and reimbursement to Agency. Costs will be reimbursed consistent with federal funding provisions and the Project Agreement. Such invoices shall identify the Project by the name of the Project Agreement, reference the Project Agreement number, and shall itemize and explain all expenses for which reimbursement is claimed. Invoices shall be presented for periods of not less than one-month duration, based on actual expenses to date. All invoices received from Agency must be approved by State’s Liaison prior to payment. contract completion for construction. Partial billing (progress payment) shall be submitted to State within forty-five (45) days from date that costs are incurred. Invoices submitted after 45 days may not be eligible for reimbursement by FHWA. Agency acknowledges and agrees that State, the Oregon Secretary of State's Office, the federal government, and their duly authorized representatives shall have access to the books, documents, papers, and records of Agency which are directly pertinent to the Project Agreement for the purpose of making audit, examination, excerpts, and transcripts for a period ending on the later of six (6) years following the date of final voucher to FHWA or after resolution of any disputes under the Project Agreement. Copies of such records and accounts shall be made available upon request. For real property and equipment, the retention period starts from the date of disposition (12 CFR 200.333(c)).

13. Agency shall, upon State's written request for reimbursement in accordance with Title 23, CFR part 630.112(c) 1 and 2, as directed by FHWA, reimburse State for federal-aid funds distributed to Agency if any of the following events occur:

a) Right of way acquisition is not undertaken or actual construction is not started by the close of the twentieth federal fiscal year following the federal fiscal year in which the federal-aid funds were authorized for right of way acquisition. Agency may submit a written request to State's Liaison for a time extension beyond the twenty (20) year limit with no repayment of federal funds and State will forward the request to FHWA. FHWA may approve this request if it is considered reasonable.

15. State shall submit all claims for federal-aid participation to FHWA in the normal manner and compile accurate cost accounting records. State shall pay all reimbursable costs of the Project. Agency may request a statement of costs-to-date at any time by submitting a written request. When the actual total cost of the Project has been computed, State shall furnish Agency with an itemized statement of final
costs. Agency shall pay an amount which, when added to said advance deposit and federal reimbursement payment, will equal one hundred (100) percent of the final total actual cost. Any portion of deposits made in excess of the final total costs of the Project, minus federal reimbursement, shall be released to Agency. The actual cost of services provided by State will be charged to the Project expenditure account(s) and will be included in the total cost of the Project.
