Summary 175 words which concisely and impartially summarizes the measure and its major effect.

State law allows for the manufacturing, transportation, delivery, sale and purchase of psilocybin, the psychedelic drug found in certain mushrooms. State law provides that a local government may adopt an ordinance to be referred to the voters to prohibit the establishment of licensed psilocybin product manufacturers and/or psilocybin service centers. The Carlton City Council adopted an ordinance to refer to the voters that temporarily prohibits psilocybin related businesses in Carlton to enable the city to consider local regulations once the state's psilocybin regulatory program is established.

Approval of the measure would prohibit the establishment of psilocybin product manufacturers and psilocybin service centers within the Carlton city limits until December 31, 2024.

I have determined the proposed measure to be in compliance with the requirements of Section 1(2)(d), of Article IV of the Oregon Constitution.

Explanatory statement

Approval of this measure would temporarily prohibit the establishment and operation of psilocybin-related businesses within the City of Carlton. A city council may adopt an ordinance prohibiting the establishment of psilocybin related businesses within the city, but the council must refer the ordinance to the voters at a statewide general election. The Carlton City Council has adopted an ordinance prohibiting the establishment of psilocybin related businesses within the City of Carlton for a period of two years and, as a result, has referred this measure to the voters.

If approved, this measure would prohibit psilocybin-related businesses within the City of Carlton until approximately December 31, 2024.
