I have been a member of the Dayton School Board for the past eight
years, and I am proud of the direction and goals the board has estab-

many school districts to do more with less. It is important the board
sets standards to ensure our students receive a high quality educa-

ited funding. I am committed to a quality education for all students,
with academic options that allow each student to meet their individual
needs. I am a strong believer that everyone has a right to an educa-

the Dayton School District. I am committed to this community, and to
the students of the Dayton School District.

TERESA ELLIS SHELBURNE

OCCUPATION: Small Business Owner, Interior Matters-Interior Design

OCCUPATIONAL BACKGROUND: Before having children I worked in both Arizona and Oregon in the fine wine industry, doing sales and management for 12 years.

EDUCATIONAL BACKGROUND: Bachelor of Science in Business and Textiles from Arizona State University. Associate in Interior Design from PCC.

PRIOR GOVERNMENTAL EXPERIENCE: Dayton Grade School Site Council, Board member of the Dayton Education Foundation, DCDA (Dayton Community Development Association), and member of the McMinnville Chamber of Commerce.

My husband Darren and I have two children in the Dayton School District. Currently I am very involved volunteering in the Dayton Schools and our Community. I care deeply for our schools and Dayton. With current economic conditions, the board will be faced with some challenging decisions. I have a perspective not only as a board member and community member, but as a parent. I will always put the children's educational goals first and foremost. I feel we need to make sure every child is prepared for their future, whether that means college, trade school or right into the work force. I grew up in Yamhill County and I am happy to be raising our children here. I feel I would be a valuable addition to the Dayton School Board and look forward to being able to serve our community and our students.

ISABEL AGUIAR

OCCUPATION: Residential Contractor, home care provider, and mom!

OCCUPATIONAL BACKGROUND: General contractor in the State of Oregon and business owner. Youth leader in Cub Scouting and certified by the National Alliance On Mental Illness program.

EDUCATIONAL BACKGROUND: Honor Graduate at Lincoln High School. "Family to Family" certified with the National Alliance on Mental Health program. Licensed general contractor.

PRIOR GOVERNMENTAL EXPERIENCE: Recently appointed to the Dayton School Board.

My husband and I have raised our four children in Dayton. Three have graduated from Dayton High School and our last one will graduate with the class of 2015.

I have been very active by participating as a volunteer at the elementary school, including four years in the Start Making A Reader Today program and as a classroom aide. I was a member of the Senior Alcohol Free Event committee for the class 2010.

Schools are facing some of the greatest challenges that I could remember; however, we must stay the course by continuing to provide a quality education. The world continues to be more competitive and I consider it our solemn duty as parents, teachers, and administrators to provide the children with the necessary tools and preparation to succeed.

The future success of education will not rest on the efforts of the few, but rather, the collaboration of many. As a member of the school board I will encourage greater participation within our community, and welcome parent's ideas of what they consider to be "excellence" in the education process. Together we will meet the challenges that are ahead and have the Dayton School District stand as a beacon of an exemplary school district.
