Sam, sorry I wasn't able to take your call a few minutes ago. I would like all of us to be on the call if possible. Would everyone be available for a conference call at 3:30-3:45? If that time does not work, please let me know what time works for everyone this afternoon.

If we can't coordinate a call this afternoon, Sam, again, please explain the urgency behind the 5:00pm deadline today. Our program staff have tried to reach out to Eric Havig at ODOT who we are being told is now our contact; they have left messages but he had not called them back. Someone else also reached out to Eric on our behalf and was told that this was an issue between DOJ and the county. We are increasingly confused and concerned.

Thanks,

Christian
