Can you and I get on the phone this week for a quick briefing? I know she wrote a grant support letter for the project in 2014 but would like to hear more about the issue and the fed connection. I have availability tomorrow before 11 am and after 230pm. Can also look at time on Friday.

I'll give her a call this afternoon. I am sad for her, and I appreciate you letting me know.

Does she have any interest in helping us on the Yamhelas trail with some public support? We're getting serious political pushback from Senator Kim Thatcher and now the executive team at ODOT (for political reasons), and I realized that I

need political *support* for the Trail. Should I talk with her about that? Maybe a letter to ODOT and the Governor and Legislators?

Yamhill Leaders,

We have Roundtable again this afternoon at 1pm.

Topics to consider:

The large increase in case counts statewide

Coastal county responses to increasing cases

Unemployment claims status

Jurisdictional responses to George Floyd's death and Black Lives Matter protests

School reopening plans

School and youth sports: which sports are allowed and why

Playgrounds: new guidance

Thank you!

Casey
