**EXPLANATORY STATEMENT RE: PSILOCYBIN MORATORIUM UNDER ORDINANCE No. 678
REFERRAL No. _____**

EXPLANATORY STATEMENT:

Approval of this measure would enact a two-year moratorium on the establishment and operation of psilocybin related businesses within the City of Amity.

A city council may adopt an ordinance that restricts the establishment and operation of psilocybin related businesses within city limits for up to two years. Yet, the council must refer such ordinance to the voters at a general election. The Amity City Council has adopted this moratorium ordinance and, as a result, is now referring the matter to the voters of the City of Amity.

If approved, this measure would enact the ordinance and prevent the establishment and operation of psilocybin related businesses until December 31, 2024. Specifically, this moratorium restricts businesses that manufacture and/or service psilocybin. This allows the City of Amity time to prepare for such businesses by adopting ordinances and codes to best integrate psilocybin businesses into the city.

Approval of the moratorium does not prohibit an individual's right to use psilocybin under Oregon law.

If this measure is not approved, such businesses may be established and initiate operations within the City of Amity as of January 2023.
